Creating an Online Bidding Account

STEP 1
Click START BIDDING at the top of the auction site.

STEP 2
Click Create Account.

STEP 3
Enter and confirm your email address. Check the reCaptcha box and click Confirm.

STEP 4
A verification email will be sent to the email address that was registered. In the email, click the link to complete your registration.
Note: this may take up to 30 minutes. Please check your spam folder if you have not yet received.

STEP 5
Create a password for your account, and enter your name, contact, and credit card info in the required fields (make sure to put your cell phone number in the Mobile Phone section). Click Create.

STEP 6
You’re done! You will see a confirmation of your information on the right. Click on any of the boxes to view/update your information.
Click the green circle to Start Bidding from your computer or access the auction from the link texted to you.

You will get a link to bid in your email as well as a text and you will be able to bid during the time frame that the auction is open. If you do not receive a text, visit the log-in page again and click the box with your email/phone to update your information.

You will receive a text notification when you are outbid on a package, as well as a text confirming if you are a winner once the auction has closed. Please note that all winning bids are final. In the event you win a package, the card you registered will be charged and pick-up/drop-off of your winning package(s) will be arranged.
